Notice: This document is prepared by Mr. Kunal Kame.

Research for Inventure Group for private circulation exclusively for their clients.

Disclosure: We and our affiliates, officers, directors, and employees, including persons involved in the preparation or issuance of this material may; (a) from time to time, have long or short positions in, and buy or sell the securities thereof, of company/companies mentioned herein or (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company / companies discussed herein or act as advisor or lender / borrower to such company / companies or have other potential conflict of interest with respect to any recommendation and related information and opinions. The same persons may have acted upon the information contained here in.

Disclaimer: This document has been furnished to you solely for your information and may not be reproduced or redistributed to any other person. This material is for the personal information of the authorized recipient, and **we are not soliciting any action based upon it.** This report is not to be construed as an offer to sell or the solicitation of an offer to buy any security in any jurisdiction where such an offer or solicitation would be illegal. The material is based upon technical reading of the Graph. Though utmost care is taken by the writer of this document, and it should be relied upon as such. **Mr. Kunal Kame of Inventure Growth & Securities Ltd.** or any person connected with any of these entities accepts any liability arising from the use of this document. Opinions expressed herein the report are our own and are based on Technical Research as of the date appearing in this document only. Reports based on Technical Analysis centers on studying charts of a stock's price movement and trading volume, as opposed to focusing on a company's fundamentals and as such, may not match with a report based on a company's fundamentals. While we endeavor to update on a reasonable basis the information discussed in this material, there may be regulatory, compliance, or other reasons that prevent us from doing so. Prospective investors and others are cautioned that any forward- looking statements are not predictions and may be subject to change without notice. Our proprietary trading and investment businesses may make investment decisions that may not exactly adhere to the recommendations expressed herein. No part of this material may be duplicated in any form and /or redistributed without company's prior written consent. In so far as this report includes current or historical information, it is believed to be reliable, although its accuracy and completeness cannot be guaranteed.
